This is an unrestricted lot in the Pioneer Addition of Ozark Acres near Williford Arkansas. There is power at the street. The lot gently slopes down from the road and would make a great building site for a cabin, tiny home, camper, or RV. Electric service is available at the street if you choose to connect but you do not have to. You can live here year around or use the property as a getaway.

Ozark Acres

Ozark Acres is an unincorporated community in Sharp County in northern Arkansas near the town of Williford. The community is divided into two sections. The first section has dues, building and zoning restrictions, two private lakes, a marina, clubhouse, park, and pavilion. The second section, which this lot is located in, is unrestricted and has no zoning or building restrictions. By owning in the unrestricted area, you have the right to pay an annual fee to access the amenities if you choose to, but you are not required to do so. The decision is yours!

Sharp County

Located in northern Arkansas, Sharp County is hidden gem for a quiet life with an abundance of outdoor activities. The landscape is rolling hills and it is located in the foothills of the Ozark Mountains. While tourism is the primary economic force in the area, agriculture is still a thriving industry. Cherokee Village is one of the state's leading retirement communities, and Hardy is a well-known tourist destination. Cave City is located in the southern section of Sharp County and is widely known for its sweet watermelons. The Spring River attracts visitors from all over the country who love to canoe, fish, and camp.

Purchasing land is an investment and we are here to help you through that process. Government Land Sales, Inc. was started as an alternative investment tool to the traditional stock market, CD's, bonds, etc. Raw land is less susceptible to the ups and downs of the other investment markets. We believ...
